1. The number of Common Curriculum credits can differ depending upon whether or not the student studies abroad.

Students are required to take a minimum of 4 UIC Seminars, but a student is allowed to substitute UIC Seminars with electives at their exchange program while studying abroad. □

If a student is away for one semester on exchange (including Exchange Program, Visiting Program, and Study Abroad Program), the number of UIC Seminars to be taken is reduced to 3. If a student takes two semesters of exchange, then the number goes down to a minimum of 2.

Transfer students may take 2 UIC Seminars only.

2. All courses taught in English offered by the College of Commerce and Economics can be counted towards Economics major credits.

3. Economics majors can take courses taught in Korean, and up to 4 of these courses (12 credits) can be counted towards fulfilling the credit requirements for the major.

4. Out of the following International Studies major courses, up to 2 courses (6 credits) can be counted towards Economics major credits.

1) ISM2002 Fundamentals of Economic Decision Making (This is not applicable to students admitted in 2009 and thereafter.)
